

OIL

Gexpro Services delivers the right supply chain solutions for your global oil equipment support needs so you can focus on optimal performance and maximizing success. Our global teams have the expertise and experience across sub-segments in the Oil industry to identify the right solution for your unique supply chain needs. Our deep knowledge and long history in the energy market make our team unique to support your product. You can count on us in every area of the oil industry, from extraction

through processing to utilization. Our product expertise extends across a wide selection of commodities and industry specific products. From special fasteners through gaskets to critical machined parts, whether your needs are c-class vendor consolidation, just-in-time production support, kitted product solutions, supermarket management, aftermarket or sub-tier driven we have the right strategic partnerships in place to meet your needs.

SERVICES OFFERED:

- Highly Skilled Program Management Teams
- Technical Expertise Team
- Total Cost Ownership Management
- Strong Quality Management System
- Weigh Scale & RFID Technology
- Value Engineering
- Customized Kitting Services
- Vendor Managed Inventory (VMI)
- Replenishment Technology
- Custom Manufacturing

COMPONENTS FOR THE OIL INDUSTRY

HOISTING & LIFTING
EQUIPMENT

SOLIDS CONTROL &
MUD SYSTEMS

MAINTENANCE &
REPAIR PRODUCTS

PIPE HANDLING
SYSTEMS

HOISTING & LIFTING EQUIPMENT

(top drive / draw works / travelling block / hook / swivel / crown block / deadline anchor / rotary table)

- Fasteners (screws, nuts, bolts, caps, pins, rivets, washers)
 - » High-strength
 - » Heat- and corrosion resistant
- Gaskets, seals, O-rings
- Fittings, shafts
- Hooks, ropes, winches, load indicators
- Motors, electrical components
- Lubricants, oils
- Machined components

PIPE HANDLING SYSTEMS

(iron roughneck / racking systems)

- Pipe management (elevators, slips, tongs, cranes, rollers)
- Hoses, pipes and tubes, flanges
- Fasteners, clamps
- Cable management (cable ties, wraps, markers, trays, ladders, heat shrinks)
- Gaskets, seals, O-rings, bearings
- Electrical components (connectors, terminals, lugs, switches, circuit breakers, sensors)
- Latches, brackets, fittings, couplings
- Lubricants
- Spinners

SOLIDS CONTROL & MUD SYSTEMS

(mud pumps / centrifugal pumps / agitators)

- Fasteners, clamps
- Gaskets, seals, O-rings, bearings
- Filters, strainers, hoses
- Electrical components
- Cable management (cable ties, wraps, markers, trays, ladders)
- B rackets, fittings, couplings, adapters
- Pumps
- Valves, pistons, piston rods
- Lubricants

MAINTENANCE & REPAIR PRODUCTS

- Safety equipment
- Lighting systems for hazardous environment
- Lubricants
- Chemicals (adhesives, sealants, protective coatings, cleaners, greases)
- Hand tools
- Valves
- Repair kits (Hydraulic, Pump, Valve)

INDUSTRIAL POWER MECHANICALS

We deliver the right supply chain solutions for your global industrial power generation needs so you can focus on optimal performance and maximizing success. Our global teams have the expertise and experience across subsegments in Power Generation, Oil and Gas, Transmission and Distribution to identify the right solution for your unique supply chain needs. Our deep knowledge and long history in industrial power make our

team unique to support your requirements. Our product expertise extends across a wide selection of commodities and industry specific products. From gaskets to gearboxes, whether your needs are c-class vendor consolidation, just-in-time production or supermarket management, aftermarket or sub-tier driven we have the right strategic partnerships in place to meet your expectation.

MECHANICAL COMPONENTS FOR INDUSTRIAL POWER

FASTENERS/HARDWARE

- Metric Fasteners in DIN, ISO, ANSI
- Imperial Fasteners
- Bolts & Nuts (Phillips, Torx, Hex Head)
- Washers
- Cap Screws
- Machine Screws
- Thread-Forming Screws
- Lock Nuts, Barrel Nuts
- Screws w/Nylon Patches and Pre-Applied Locking Adhesive
- Rivets and Pins
- Dowel and Taper Pins
- Tension Control Bolts
- Pem Studs and Nuts
- Bushings, Grommets, Clips, Clamps
- Ball Bearing, Ball Bearing Lock Nuts
- Retaining Rings, Circlips
- Stainless Steel Fasteners
- High-performance alloys (Inconel, Hastelloy, Superalloys)

MECHANICAL PARTS

- Bearings (ball, roll, thrust)
- Valves (fuel control, bleed, check, pressure relief, stop, control)
- Filters (air, fuel, oil)
- Seals (O-rings, carbon, stainless)
- Gaskets (metallic, composite)
- Fittings (elbows, tees, reducers, couplings, unions)
- Springs
- Shims and spacers
- Bushings
- Hoses (flexible, high pressure, hydraulic, air, high temperature)
- Flanges
- Anti-vibration components
- Pipes and tubes

INDUSTRIAL GRAPHICS

- Labels, signs
- Decals, nameplates
- User's Manuals

CHEMICALS

- Lubricants, oils
- Coolants
- Corrosion inhibitors
- Cleaning agents, degreasers, solvents
- Anti-icing chemicals (ethylene glycol, propylene glycol)
- Sealants & Adhesives

FABRICATED COMPONENTS

- Sheet Metal
- Welded Components
- Machining (grinding, turning, milling)
- Forging (Various Types)
- Tube Bending
- Ladders
- Extruded Parts
- Stampings, deep-drawing, fine blanking
- Roll forming

ELECTRICAL COMPONENTS FOR INDUSTRIAL POWER APPLICATIONS

CABLES AND CABLE MANAGEMENT

- Power cables | Control cables | Data cables | Interconnect assemblies
- Fire - and smoke resistant cables
- Wires
- Cable ties (standard, releasable, stainless, UV-resistant, heat resistant, tefzel)
- Cable trays, -glands, -lugs, - markers, crimps
- Heat shrinks and sleeves
- Wire markers
- Roundit wraps
- Conduits
- Armored cables, cable protection

INDUSTRIAL GRAPHICS

- Labels, stickers
- Decals, nameplates
- User's manuals
- Tapes

ELECTRICAL COMPONENTS

- Switches, terminals, connectors, plugs
- Sensors, thermocouples, transducers, accelerometers
- Actuators (solenoid valves, stepper motors)
- Fuses, circuit breakers, surge protectors
- Resistors, relays, capacitors, jumpers, diodes, timers
- Power supplies
- Fans and ventilation units, A/C
- Braids Thermostats
- Control Modules (PLC, voltage regulator)
- I/O modules
- Ferrite rings, grounding bars
- Lighting (general, emergency, indicative)
- Safety system components (alarms, emergency buttons, fire detection system)
- Insulating materials
- ATEX & IECEX certified components
- Electrical Kits (Manufacturing, Installation, Aftermarket)
